Dear Friend,

The time has come once again to plan for the Munson Community Heritage Festival at Krul Lake Recreation Area. Please allow me to take this opportunity to invite you to this special event. Krul Recreation Area is located in Munson, Fl, 20 miles north of the Milton High School and about ½ mile east of the intersections of Highway 191 and Highway 4. The Krul entrance sign is located on the north side of Highway 4. The idea of the Festival is to bring alive the history of the area as well as to promote culture in Santa Rosa County. There will be music, historical cultural exhibits, arts, crafts, and food. This is a two-day event on October 14th & 15th, 2017 from 9 am to 5 pm with time to set up displays beginning at 9 am on Friday October 13th. A parking fee of \$10.00 per vehicle for the two day event and a \$40.00 charge to vendors with power/water and \$30.00 charge for vendors with no power/water will be paid to the Festival committee. Revenue generated from fees and donations will be used to pay rent of the facility, to pay set up costs, while all profits from the event will go to those in need in our area.

The event brings good will to many of the communities in the Munson vicinity including portions of Northwest Florida and South Alabama. It is an event set up for families to come out and enjoy a fun day together in a beautiful setting and to see heritage exhibits and the arts. Please see the attached pages for the different levels of sponsorship available. We appreciate your interest in the event.

Thank you for your time and we look forward to seeing you at the Festival.

Sincerely,

Munson Community Heritage Festival Committee
