Dear Potential 2017 Vendor/Exhibitor:

The Munson Community Heritage Festival committee is pleased to announce the call for vendors/exhibitors for our 14th annual Munson Community Heritage Festival on Saturday and Sunday (October 14 & 15, 2017) from **09:00 am** until **5:00 pm**. As in previous years, the festival will have an earth-friendly, family-friendly theme. We will have locally known musicians and numerous workshops as well as wonderful activities for children. We also again welcome a vibrant diversity of historical, art and food vendors and environmental/wellness education exhibits. The Munson Community Heritage Festival will be highly advertised locally and as always we anticipate a large, diverse crowd.

EXHIBITORS/VENDORS: The festival committee requests that you sell local and regional hand-created items made by the vendor—works featuring the unique talents of area artists. Mass-produced items are not appropriate for the festival. Examples of welcomed items include woven rugs, homemade items, jewelry, pottery, paintings, photography, bird houses, etc.—and other creative/natural items such as baked items, homemade soaps/lotions, seasonal flowers, heirloom plants/seeds, honey, etc. All applications will be reviewed for acceptance. *We will attempt to avoid as few duplication in merchandise.* **Unfortunately, we CANNOT provide electricity or camping for every vendor. There is no charge for exhibits that are not selling items and with displays only. Booth rental is \$40 per day for power site and \$30 per day for non-power for any vendor selling anything. Tables/canopies will not be available. Vending spots may be shared by more than one vendor. Booth fees may be paid in advanced or will be collected the day of the event. All booths are outdoors in the park. This event will take place rain or shine. Camping is available, but limited and preference will be given to past vendors. All Vendors must be set up by 8:00 am and have their vehicles moved back out to the parking area designated for vendors. There will be no moving vehicles after 8:00 am except by Festival staff.**

FOOD VENDORS: The Munson Community Heritage Festival will provide trash cans and service in the park. Please include a detailed description of your food items with your application. *If accepted, we will work with all vendors to ensure there is minimal duplication of food items.* **Booth rental is \$40 per day for power spot and \$30 per day with non-power.** We will work with you as much as we can, so please, if you have any questions please call: Marshal Fuqua @ 850-902-1764 or by email at contact.us@munsonheritagefestival.com. We hope you will join us in making the 2017 Munson Community Heritage Festival an enjoyable, successful, and culturally-enriching event for the visitors. Please visit
